ATHLETICS STAFF MEMBERS’ EMPLOYMENT AT A NON-WILLIAM & MARY CAMP/CLINIC

NCAA Bylaw 13.12.2.3—Athletics Staff Members. A member institution’s athletics staff member may be involved in sports camps or clinics unless otherwise prohibited in this section.

1) No athletics department staff member may be employed (salary or volunteer) in any capacity by a camp or clinic established, sponsored or conducted by an individual or organization that provides recruiting or scouting services concerning prospects.

2) In sports other than Basketball, institutional athletics department personnel may serve in any capacity (e.g. counselor, guest lecturer, consultant) in a non-institutional, privately owed camp or clinic, provided the camp or clinic is operated in accordance with restrictions applicable to the institutional camps (e.g. open to any and all entrants, no free or reduced admission to or employment of athletics award winners).

3) Additionally, in football, participation in a non-institutional, privately owned camp or clinic is limited to the months of June, July and August.

4) In basketball, an institution’s basketball coach and non-coaching staff members with responsibilities specific to basketball may be employed only at their own camps or clinics in the months of June, July and August. It is not permissible for a basketball coach or non-coaching staff member with responsibilities only in basketball to be employed at other institutional camps or clinics or at non-institutional privately owned camps or clinics.
