ATHLETIC EDUCATIONAL FOUNDATION
 INTEREST ACCRUAL/SERVICE FEES

1. The Tribe Club will maintain the interest earned on all funds, restricted and unrestricted in the current annual campaign, July 1 to June 30.

2. The interest earned on prior money, all money in a particular sport’s account prior to July 1 of a given year, accrues to that sport.

3. If the unrestricted goal is not met, a 10% service charge on all money raised during the current year’s campaign may be assessed to each restricted account to defer the expenses and to meet the goal.

4. Interest is calculated at an average of the interest rates of the 12 months from July 1 of year A to June 30 of year B.
