An athletic grant-in-aid for summer school is the exception, not the rule. This application will be reviewed and you will be notified by May 1, 2016 if you have been approved for a scholarship and the amount you will receive. Per NCAA rules, a student-athlete receiving athletic grant-in-aid aid during the 2015-16 academic year is eligible for summer school grant-in-aid at the proportion of a full grant-in-aid that was received during the academic year. For athletes who received full athletic grant-in-aid during the 2015-16 academic year, the athletic grant-in-aid for summer school covers tuition and institutional application fee only. Books, room and board are the student-athlete’s responsibility.

If all or a portion of this application is denied funding for summer school, a student-athlete may appeal the decision to the Assistant AD for Academic Services and the Assistant AD for Business Affairs within 10 business days of the notification of denial.

**Application Instructions**

1. Please complete this form and submit to Jason Simms by April 19, 2016. Applications received between April 20, 2016 and May 20, 2016 will not be considered a priority and will be approved based on available funding. Applications submitted less than one week before the first day of summer session I will only be considered for summer session II and approved based on available funding.
2. Attach a personal statement addressing the academic reason for this request. Include in your statement the importance of the particular course(s) you have selected, the reason why these courses need to be taken at William and Mary versus at home, why the credits need to be completed this particular summer, and if you are "behind" on credits, the reason why. Any other information that will clarify your need should be included in this statement.
3. Attach a detail copy of your current schedule.
4. Attach your degree evaluation from mywm.
5. Attach printout of summer course listing.
6. Requests for Summer Abroad Programs through W&M will be considered after on campus requests are prioritized. Study Abroad must include credits for your major or GER to be considered. The maximum award for study abroad for Summer 2016 will be $1,800 and most awards will be a percentage of this figure based on scholarship equivalency.
7. For all sports other than basketball and football, obtain head coach's signature.
8. Schedule appointment for review. Contact Jason Simms at 221-3241.
